\*  
\* NOTICE \*  
\*  
\* ORR has acquired a reproduction machine \*  
\* for use in copying material which is needed \*  
\* for retention. At the present time the \*  
\* service must be limited to the copying of \*  
\* three pages or less. When operators have \*  
\* gained sufficient experience a greater volume \*  
\* of work will be accepted. The machine will \*  
\* copy material up to 8-1/2" in width and any \*  
\* length, and will copy photographs, any printed \*  
\* matter, thermofax, photostats, maps, overlays, \*  
\* transparencies, and pages from books. Mr. \*  
\* [REDACTED] will schedule \*  
\* requests for reproduction. \*

OAD/RR: The AD/RR MET WITH Mr. Thomas Curtis of the OFFICE OF DEFENSE MOBILIZATION (Staff Assistant to Mr. Elliott who is now Foreign Deputy to Mr. Steelman) ON the QUESTION OF ACCELERATING THE IMPLEMENTATION OF NSC-29. He was advised to refer questions he raised on possible cover operations to Mr. Hunt of DD/P. Mr. Curtis will head a "top-level" committee to prepare a report for the Secretary of State reviewing and revising critical targets that might be sabotaged. He requested that this office be represented, as ORE was on a former committee by [REDACTED]. It was AGREED THAT [REDACTED] Chief, D/M, WOULD ATTEND MEETINGS AS ORE/CIA REPRESENTATIVE. It is expected that this committee will meet for a total of about 12 hours and then prepare a report which may be the basis for requests to IAC agencies for further intelligence support. (1 hr) (31 Mar)
